

ASPEN Reports

Report Name	File Name	Summary	Access	New in Release
ACO / ARO Reports (39 Total)				
Administrator Facility History (AFH) report (Accessible from multiple paths)	AdminFacHistory.rpt	Lists the facilities where selected administrators have been employed. It includes identifying information for each facility and the administrator's active dates at the facilities	*Reports → Administrator reports → Administrator Facility History (AFH) *Directory View - Administration Directory → <i>(Right click an administrator)</i> Quick Report → Administrator Facility History (AFH)	-
Administrator Survey Performance (ASP) report (*Accessible from multiple paths)	SurveyPerformHistory.rpt	Provides information about the surveys that have been conducted at facilities where selected administrators are or have been associated.	*Reports → Administrator reports → Administrator Survey Performance (ASP) *Directory View - <i>(Right click an administrator)</i> Quick Report → Administrator Survey Performance (ASP)	-
FMS Transactions Report (All Failed FMS transactions without success)	FMSTracking.rpt	RO Mode only. Displays only those transactions for Federal Monitoring Survey (FMS) cases in a current failed state since the last successful upload.	Tracking → FMS Tracking... → FMS Reports Drop-down - All Failed FMS transactions without success	-
FMS Transactions Report (All FMS transactions)	FMSTracking.rpt	RO Mode only. Lists all cases in Federal Monitoring Survey (FMS) tracking, including FMS Type, Extent, Event IDs, and pending upload status.	Tracking → FMS Tracking... → FMS Reports Drop-down - All FMS transactions	-
FMS Tracking report (ARO FMS Tracking Report)	FMSTracking.rpt	RO Mode only. Displays the information in the Federal Monitoring Survey (FMS) Tracking window in report form, including Transaction details and upload status.	Tracking → FMS Tracking... → FMS Reports Drop-down - FMS Tracking Report	-
ASPEN Severity/Scope Grid report	OneSurvSS.rpt	Presents all of the Scope/Severity details for a selected survey, in grid format.	Cert/Survey View → Expand Other Surveys - Survey Type → <i>(Right Click)</i> Specific Survey → Print Forms... → S/S Grid	-
Certification Kit Report	CertKit.rpt	Displays list of facility Certification Kits, with an option of sorting the data in ascending or descending order alphabetically, or by survey date.	Tracking → Certifications → Print Tracking Report	-

ASPEN Reports

Report Name	File Name	Summary	Access	New in Release
Facility Branch (FB) report	Branch.rpt	Lists the specific facility and details of any branches that are associated with that facility.	Expand Facility → <i>(Right-click)</i> Affiliations node → Quick Report → Facility Branch (FB)	-
Facility Report Selection Criteria (Facility Directory (FD))	oFacdir.rpt	Lists facilities with details about each. Including identifying information, emergency contact, and operating status.	Reports → Facility Reports → Facility Report Selection Criteria	-
Facility Information (FI) report	oFacInfo.rpt	Provides details from the facility record, including any buildings associated with the facility.	<i>(Right click)</i> Facility Node → Quick Report → Facility Information (FI)	-
Facility List (FL) report (Facility Quick List (FL))	FacilityList.rpt	Line summary of information for facilities in the highlighted selection set.	My Selections Node → <i>(Right click)</i> Selection Set → Quick Report → Facility List (FL)	-
Full Facility Profile (FFP) report	FacSurv.rpt	Includes information about selected facility, administrators, and branches, with survey performance details.	Facility Node → Quick Reports → Full Facility Profile (FFP)	-
HHA Branch Report (Home Health Agency Providers with Branches Defined)	HHABRANCH.rpt	Lists details for Home Health Agency (HHA) facilities that have Branches defined.	Reports → Facility Reports → Provider Affiliations → HHA Branch Report	-
Hospital/CAH Medicare (And Medicaid - <i>If Applicable</i>) Database Worksheet	FormWKST.rpt	In-house worksheet that shows general information about the facility, CLIA numbers, and accreditation status.	Certification Kit → Application Worksheet → Print	-
Hospital Offsite and Affiliation Report (Hospital Providers with Offsite and Affiliation Locations)	HospOffsiteAffiliation.rpt	Lists details for hospital providers with offsite and affiliation locations.	Reports → Facility Reports → Provider Affiliations → Hospital Offsite and Affiliations Report	-
NPI By Number report	NPINumber.rpt	Displays facility details and National Provider Identifier (NPI) numbers in ascending order by NPI number.	Reports → NPI Reports → NPI By Number	-
NPI By Provider report	NPISupplier.rpt	Displays facility details and National Provider Identifier (NPI) numbers in ascending order by CMS Certification Number.	Reports → NPI Reports → NPI By Provider	-
OPT Extensions Report (Outpatient Physical Therapy Providers with Extension Location)	OPD_Extension.rpt	Lists the Outpatient Physical Therapy (OPT) providers with extension locations information, including any approved/opened, terminated, and accepted data.	Reports → Facility Reports → Provider Affiliations → OPT Extensions Report	-

ASPEN Reports

Report Name	File Name	Summary	Access	New in Release
Owner Facility History (OFH) report (*Accessible from multiple paths)	OwnerFacHistory.rpt	Lists the facilities owned by selected owner companies currently and in the past, including identifying information for each facility and the owner company's dates of ownership.	*Reports → Owner Reports → Owner Facility History (OFH) *Directory View - Ownership Directory → <i>(Right click an organization)</i> Quick Report → Owner Facility History (OFH)	-
Owner Survey Performance (OSP) report (*Accessible from multiple paths)	OwnerSurveyPerform.rpt	Provides information about the surveys that have been conducted at facilities owned by selected owner companies.	*Reports → Owner Reports → Owner Survey Performance (OSP) *Directory View - Ownership Directory → <i>(Right click an organization)</i> Quick Report → Owner Survey Performance (OFH)	-
Personnel Master List (PML) report	oPersons.rpt	List of staff members with contact information.	Directory View - <i>(Right click)</i> Staff Directory → Quick Report → Personnel Master List (PML)	-
Quick Report	oQuickRpt.rpt	Multiple options. Displays selected information for a specific survey.	Survey Node → <i>(Right click)</i> Survey → Print Forms → Quick Report	-
Regulation Set (RS) report	oRegSet.rpt	Displays properties, definitions, interpretive guidelines and, optionally, custom help, for each tag in the selected regulation set.	Regulation - Active Only Node → <i>(Right-click)</i> Quick Reports → Regulation Set (RS)	-
Report Usage Summary	ReportUsageSummary.rpt	Displays list of dates/times printed for all ACO/ACTS reports by ID number and name. The SA Report Usage Summary report displays the data for the current state. The RO Report Usage Summary report provides the option to display data for the current state or for all states.	Reports → Report Usage Summary	-
Severity/Scope Detail (SSD) report (Scope/Severity Detail SSD)	SSSummary.rpt	Shows the distribution of citations by severity/scope rating during the given time period, and indicates the facility(s), survey event ID, survey date, and surveyor for each citation.	Reports → Survey History Reports → Severity/Scope Detail	-
Severity/Scope Summary (SSS) report (Scope/Severity Summary SSS)	SSSummary.rpt	Summarizes the distribution of citations by severity/scope rating during the given period of time.	Reports → Survey History Reports → Severity/Scope Summary	-
Citation Detail (STF2) report (Staff Citation Detail (STF2) - Accessible from multiple paths)	CitationDetail.rpt	Includes all information in the Survey Summary report as well as a list of tags cited by each surveyor.	*Reports → Surveyor Reports → Citation Detail (STF2) *Directory View - (Right Click) Staff Directory → Quick Report → Citation Detail (STF2)	-

ASPEN Reports

Report Name	File Name	Summary	Access	New in Release
Tag Frequency (STF3) report (Staff Citation Frequency (STF3) - Accessible from multiple paths)	TagFrequency.rpt	Lists tags cited by selected surveyors during the given time period and shows citation frequency along with severity and scope. You can choose to sort by tag ID or by frequency.	*Reports → Surveyor Reports → Tag Frequency (STF3) *Directory View - (<i>Right Click</i>) Staff Directory → Quick Report → Tag Frequency (STF3)	-
Survey Summary (STF1) report (Staff Survey Summary (STF1) - Accessible from multiple paths)	SurveySummary.rpt	Presents summary information for surveys conducted by selected surveyors during the specified period of time. Does not include surveys with only 0000, 9999, or 9999K tags	*Reports → Surveyor Reports → Survey Summary (STF1) *Directory View - (<i>Right Click</i>) Staff Directory → Quick Report → Survey Summary (STF1)	-
Tag Details (TAG2) report (Tag Detail Report (TAG2))	TagDetail.rpt	Includes all information in the Tag Summary report as well as the surveyor who issued each citation and percentage of total citations for the tag issued by that surveyor.	Reports → Regulation Reports → Tag Details (TAG2)	-
Tag Summary (TAG1) report	TagSummary.rpt	Lists the number of citations issued during the specified time period for selected regulations. Average severity and scope are also listed for each citation.	Reports → Regulation Reports → Tag Summary (TAG1)	-
Transactions Report	TransactionTracking.rpt	Lists upload transactions for a specified period. There are numerous selection options for transactions, including an RO quick list of initial and flagged kits.	Tracking → Transactions → OK → PRINT	-
Transactions Report - CLIA - All Failed Transactions without a Follow-up Success	TransactionTracking_CLIA.rpt	Lists upload transactions for which CLIA uploads failed and the follow-up action was unsuccessful during a specified period.	Tracking → Transactions → (<i>Drop-down menu</i>) CLIA - All Failed Transactions without a Follow-up Success option → PRINT	-
Work Unit Roster (TR) report	TeamRoster.rpt	Provides details about the selected Work Unit and a list of its members, with details from the employee file. You can generate the report for all Work Units as well.	Directory View → (<i>Right click</i>) Work Unit Node - or- (<i>Right click</i>) specific Work Unit → Quick Report → Work Unit Roster (TR)	-

ASPEN Reports

Report Name	File Name	Summary	Access	New in Release
(Letter Title Specific) By Group	-	Allows you to view/generate a letter from the letter directory for a group of recipients; Based on select facility information.	Reports → Form Letters → By Group...	-
(Letter Title Specific) Custom	-	Allows you to view/generate a letter from the letter directory for selected facility recipients.	Reports → Form Letters → Custom Select...	-
Batched Letters for <User Name>	-	Displays a list of batched letters either for the current user, or from a custom user list defined by the user.	Reports → Print Batched Letters...	-
Change of Status report	ChangeofStatus.rpt	Lists facilities with at least one change of status, and lists the related change of status certification kits, dates, CCN, and ASPEN facility type in effect, both prior to and after the change of status.	Reports → Facility Reports → Change of Status	10.2
Regional Reports	-	RO Mode Only. Offers a list of enforcement reports that display data across all states in the selected region. The configuration options are the same as the corresponding state reports.	Reports → Regional Reports...	10.6

Report Name	File Name	Summary	Access	New in Release
STAR Reports (6 Total)				
Surveyor Page Notes Survey Documentation Report	STARSurveyorNotes.rpt	Displays details of any notes created by surveyors in the Page Notes section of the associated STAR survey.	Cert/Survey View → STAR Survey (<i>Right Click</i>) STAR Reports (confidential) → Surveyor Page Notes option	-
Staff List Survey Documentation Report	STARStaffList.rpt	Displays survey team members and names of those interviewed for the survey. Also includes the facility name, event ID, and survey exit date	Cert/Survey View → STAR Survey (<i>Right Click</i>) STAR Reports (confidential) → Staff List option	-
Patient List Survey Documentation Report	STARPatientList.rpt	Displays a list of patient names and labels interviewed for the survey. Also includes facility name, event ID, and survey exit date.	Cert/Survey View → STAR Survey (<i>Right Click</i>) STAR Reports (confidential) → Patient List option	-
Survey Data Survey Documentation Report	STARSurveyData.rpt	Displays full survey data grouped by surveyor, including question text, answers, findings, tags, and whether the answer indicates a concern.	Cert/Survey View → STAR Survey (<i>Right Click</i>) STAR Reports (confidential) → Survey Data option	-
Potential Citation Data Survey Documentation Report	STARPotentialCitations.rpt	Lists tag information, including tag ID, tag title, number of times triggered, and whether or not tag was cited. For cited tags, includes STAR citation write-up data.	Cert/Survey View → STAR Survey (<i>Right Click</i>) STAR Reports (confidential) → Potential Citation Data option	-
Report Summary Survey Documentation Report	STARReportSummary.rpt	This report prints every time one or more of the Survey Documentation sub-reports are generated, and displays the following information: CCN, facility name and address, survey exit date, STAR data, each sub-report with a Yes/No indicator of whether the report was generated, and the criteria used for generated sub-reports.	Cert/Survey View → STAR Survey (<i>Right Click</i>) STAR Reports (confidential) → Any STAR Data option	-

ASPEN Reports

Report Name	File Name	Summary	Access	New in Release
AST Reports (30 Total)				
Pending/Initial Aging Report History	AST_PendingAging.rpt	Provides facility name, address, type, phone, email, and active date information for a selected administrator.	Reports → Scheduling & Tracking Reports → Tracking Report → Pending/ Initial Aging Report	-
Branch Office report	HHABranch1.rpt	Provides basic information on the branch offices associated with an HHA, as entered on CMS-1572A.	Reports → Scheduling and Tracking Reports → Profile Reports → Branch Office	-
Schedule Calendar Report	ASTCalendar.rpt	Lists scheduled certifications and recertifications in a standard calendar format.	AST → Calendar → Print → Schedule Calendar Report	-
Facility Milestone report	AST_Milestones.rpt	Details all of the certification milestones for the user-selected facilities, including provider, survey, IDR, 2567, and POC tracking information. Also includes information regarding any Transfer to OSCAR (Upload) transactions.	Reports → Scheduling & Tracking Reports → Tracking Report → Facility Milestone	-
Certifications to be Scheduled report	AST_CertToBeScheduled.rpt	Lists facilities/providers with certifications yet to be scheduled, including most recent and target certification survey dates.	Reports → Scheduling & Tracking Reports → Scheduling Reports → Certifications to be Scheduled	-
Change of Ownership Profile report (Change of Owner Tracking Profile)	AST_ChowProfile.rpt	Detailed process of selected facility/provider ownership changes.	Reports → Scheduling & Tracking Reports → Profile Reports → Change of Ownership Profile	-
CHOW Tracking report	AST_ChowChangeOwner Tracking.rpt	Provides the Change of Ownership (CHOW) processing steps for a facility/provider.	Reports → Scheduling & Tracking Reports → Tracking Report → CHOW Tracking	-
CHOW Processing Time report	AST_ChowProcessTimes.rpt	Defines the average number of days elapsed during the steps required for change of ownership (CHOW) processing.	Reports → Scheduling & Tracking Reports → Tracking Report → CHOW Processing Time	-
Complaint to be Scheduled report (Complaint Investigations to be Scheduled)	AST_CompToBeScheduled.rpt	Lists information about intakes requiring a complaint investigation that is not yet scheduled, including provider/facility and complainant information.	Reports → Scheduling & Tracking Reports → Scheduling Reports → Complaints to be Scheduled	-
Tracking - Comprehensive report (Comprehensive Survey Scheduling Report)	AST_ComprehensiveSS.rpt	Lists a scheduling report of all comprehensive surveys for selected time frame, including provider & facility information, most recent and target certification dates, and number of pending complaints.	Reports → Scheduling & Tracking Reports → Tracking Report → Tracking-Comprehensive	-

ASPEN Reports

Report Name	File Name	Summary	Access	New in Release
CoPs Out of Compliance report	AST_CoP.rpt	Details out-of-compliance conditions of participation (COPs) for each selected facility.	Reports → Scheduling & Tracking Reports → Tracking Report → CoPs out of compliance	-
Full Facility Profile (FFP) report	oFacSurv.rpt	Profile report presents comprehensive information about each facility/provider selected for the report, including basic facility properties information and survey performance history.	Reports → Scheduling and Tracking Reports → Profile Reports → Full Facility Profile (FFP)	-
Survey Overdue (HHA) report	AST_HHASurveyOverdue.rpt	Details Home Health Agencies (HHAs) that are overdue for a survey.	Reports → Scheduling & Tracking Reports → Tracking Reports → Survey Overdue (HHA)	-
Initial Certification Processing Time report	AST_CertificationProcessTimes.rpt	Details the average number of days elapsed for specific actions during initial certification processing, including number of sampled providers	Reports → Scheduling & Tracking Reports → Tracking Reports → Certification Processing Time → Initial Certification Processing Time	-
Initial Certification Profile report (Initial Provider Certification Tracking Profile)	AST_InitialCertProfileSA2.rpt	Provides information and status on the certification process for the providers selected for the report.	Reports → Scheduling & Tracking Reports → Profile Reports → Initial Certification Profile	-
Involuntary Termination 23 Day report	AST_InvoluntaryTermination23.rpt	Lists providers involuntarily terminated within 23 days of being notified of non-compliance.	Reports → Scheduling & Tracking Reports → Tracking Reports → Involuntary Termination 23	-
Involuntary Termination 90 Day report	AST_InvoluntaryTermination90.rpt	Lists providers involuntarily terminated within 90 days of being notified of non-compliance.	Reports → Scheduling & Tracking Reports → Tracking Reports → Involuntary Termination 90	-
Termination (90 Days) report Termination (23 Days) report (Involuntary Termination (90 Days)) / (Involuntary Termination (23 Days))	AST_Termination.rpt	Lists providers terminated within 90 or 23 days, respectively, of non-compliance notification.	Reports → Scheduling & Tracking Reports → Profile Reports → Involuntary Termination (90 Days) / (23 Days)	-
Months Since Last Certification report	AST_MonthsSinceLastCert Report.rpt	Lists facility/provider information and the date of their most recent certification, including time interval, and the date the current certification (If applicable) is scheduled or in progress.	Reports → Scheduling and Tracking Reports → Scheduling Reports → Months Since Last Certification	-
Overdue Revisit report	AST_RevisitOverdue.rpt	Details of facilities that have an overdue required revisit.	Reports → Scheduling & Tracking Reports → Tracking Reports → Overdue Revisits	-

ASPEN Reports

Report Name	File Name	Summary	Access	New in Release
Recertification Processing Times report	AST_ReCertificationProcess Times.rpt	Details the average number of days elapsed for specific actions during recertification processing, including the number of sampled providers.	Reports → Scheduling & Tracking Reports → Tracking Reports → Certification Processing Time → Recertification Processing Time	-
Recertification Profile report (Recertification Provider Certification Tracking Profile)	AST_RecerCertProfileSA.rpt	Provides recertification status and information for each provider selected for the report.	Reports → Scheduling & Tracking Reports → Profile Reports → Recertification Profile	-
Revisits to be Scheduled report	AST_RevToBeScheduled.rpt	Details of facilities that require revisit surveys that are not yet scheduled.	Reports → Scheduling & Tracking Reports → Scheduling Reports → Revisits to be Scheduled	-
Scheduled Surveys by Facility (*Schedule Detail Report - Accessible from multiple paths)	AST_ScheduleDetail.rpt	Provides details of scheduled surveys and survey team for a user-defined period.	*Reports → Scheduling & Tracking Reports → Scheduling Reports → Scheduled Survey Report by Period → Scheduled Surveys by Facility *AST → Calendar → Print → Schedule Detail Report	-
Scheduled Surveys by Surveyor/Team report	AST_ScheduleSurveyor.rpt	List of surveys currently scheduled by either surveyor or survey team.	Reports → Scheduling and Tracking Reports → Scheduling Reports → Scheduled Survey Report By Period → Scheduled Surveys by Surveyor/Team	-
Survey Average Report (Survey Average Interval Report)	AST_SurveyAverageInterval Report.rpt	Details the number of months since the last certification for a user-defined set of providers and time parameters.	Reports → Scheduling & Tracking Reports → Scheduling Reports → Survey Average Report	-
Surveys Awaiting Acceptable Plan of Correction report	AST_POCTracking.rpt	Lists facilities that have received at least one survey indicating deficiencies, and have yet to supply an acceptable Plan of Correction (POC) indicating how they will correct those deficiencies.	Reports → Scheduling & Tracking Reports → Tracking Reports → POC Tracking	-
Surveys Awaiting Revisits report (Revisit Due Date)	AST_AwaitingRevisits.rpt	Details facilities/providers with scheduled survey revisits that have not yet occurred.	Reports → Scheduling & Tracking Reports → Tracking Report → Revisit Due Date	-
Scheduling - Target Month (Target Certification Month Report)	AST_TargetCertMonth.rpt	Details a user-selected set of providers, providing their last certification dates, their target scheduled dates, how much time has passed since their last certification, and whether they have been scheduled for their next certification.	Reports → Scheduling & Tracking Reports → Scheduling Reports → Scheduling Target Month	-
Termination Summary Report	TerminationSummary.rpt	Details the number of terminations for the selected facilities/providers, broken down by termination type and facility/provider category.	Reports → Schedule & Tracking Reports → Tracking reports → Termination Summary Report	-

Outstanding Activities report	OutInvestAct.rpt	Lists activities, as defined on the Activities tab, assigned but not yet completed, with associated intake details, including activity type, assigned and due dates, and responsible staff.	Reports → Outstanding Activities	-
QE 562 Log report (Quick Entry 562 Log)	QE562Log.rpt	Lists Quick Entry (QE) 562 records for a specified time frame, including provider information, Survey Exit Date, Recipient of complaint/incident report, investigating agency, and upload status.	Reports → QE 562 Log	-
Substantiated Complaint by Provider report	Substantiated.rpt	Lists totals of substantiated complaints for a specified period of time sorted by facility ID and provider name, including total number of intakes and total number of intakes linked to Federal deficiencies.	Reports → Substantiated Reports → Substantiated Complaint by Provider	-
Substantiated Complaint Detail report	SubstantiatedDetail.rpt	Lists details of substantiated complaints for the specified period of time, including intake number, priority, cited deficiencies (except memo tags 0000, 9999, and 999K), activities, and other information.	Reports → Substantiated Reports → Substantiated Complaint Details	-
Timeliness Report	Resolution.rpt	Shows those intakes that exceed the user-specified number of days interval for one of eight resolution actions: Triage, Acknowledgement, Investigation, Post-Survey Contact, RO Action, SOD Issuance, Received to Closure, and Forward to Closure.	Reports → Timeliness Reports	-
Tracking Report - SOD/POC	TrackComplaint.rpt	Shows SOD/POC (Statement of Deficiency/Plan of Correction) -related dates for intakes received within a specified time period.	Reports → Tracking Report SOD-POC	-
Complaint/Incident Volume By Week report	NumCompCumm.rpt	Displays a bar graph of the total number of intakes received on each day of the week, totaled for each week.	Reports → Volume Reports → Complaint/Incident Volume by Week	-

ASPEN Reports

Report Name	File Name	Summary	Access	New in Release
Volume by Location Received - Detail report / Volume by Responsible Team - Detail report	NoOfComplaints.rpt	Displays the number of intakes received by day of month, sorted respectively by each location and responsible team.	Reports → Volume Reports → Details → Volume By Location Received → Volume By Responsible Team	-
Volume by Location Received - Summary report / Volume by Responsible Team - Summary report	SummNumbBar.rpt	Displays the number of intakes received by day of month, sorted respectively by each location and responsible team, in bar graph and text formats, including ranks and percentages.	Reports → Volume Reports → Summary → Volume By Location Received → Volume By Responsible Team	-
Weekly Summary report	NumbCompWeek.rpt	Displays the number of intakes received each day throughout the specified week for each responsible team in table form.	Reports → Volume Reports → Weekly Summary	-
Print Batched Letters		Allows you to batch print letters, rather than printing each letter as it is created. You can list your batched letters only, or define a custom filter of work units/team, and ASPEN applications.	Report → Print Batched Letters	-
Transactions Report	TransactionTracking.rpt	Lists upload transactions for a specified period. There are numerous selection options for transactions, including an RO quick list of initial and flagged kits.	Tracking → Transactions → OK → PRINT	-
Intakes Requiring RO Authorization report	IntakesROAuth.rpt	Displays only intakes received within a specified period of time for which RO authorization is required, including Deemed, EMTALA and D/R/S intakes.	Reports → Federal Only → Intakes Requiring RO Authorization	10.2
Facilities with Few (##) or No Intakes report	FacWoIntk.rpt	Lists all facilities without any intakes, or with fewer intakes than the specified amount within the specified timeframe.	Reports → Volume Reports → Facilities with Few or No Intakes	10.2
Investigation Survey Categories report	InvestCateg.rpt	Displays a list of investigations grouped by survey categories for a specified timeframe.	Reports → Investigation Survey Categories	10.2
Investigation Deficiency Types report	InvestDefType.rpt	Lists the type of deficiencies (condition, standard, or none), cited tags, and totals for all specified investigation surveys for each provider.	Reports → Deficiency Reports → Investigation Deficiency Types	10.2
Federal Intake Volume by State (This report is only available for RO users.)	ACTSWorkloadEntries.rpt	RO Mode Only. Displays daily workload entries for a specified timeframe for each state in the RO. Only Federal intakes are included.	Reports → Volume Reports → Federal Intake Volume by State	10.2
